July 2025

"You have to dream before your dreams can come true."

Dr. A.P.J. Abdul Kalam

Dear Parents,

We are delighted to bring you the latest newsletter for PP2 in July 2025. This month, our little ones have been busy with a variety of curriculum activities that have been both engaging and educational.

In Numeracy, the children have been working on completing their homework pages and writing number names in their notebooks. In Literacy, they have been tasked with completing various exercises in their workbooks, focusing on sight words and beginning consonants. Additionally, in Telugu, the students have been practicing their letters diligently in their textbooks and notebooks.

Our theme and rhyme activities have included spelling exercises, body parts recognition, and even pasting and coloring activities. The children have also been enjoying various hands-on activities such as matching letters with pictures, lacing shapes, and counting by twos.

In addition to their academic pursuits, the children have been participating in Show and Tell sessions, where they have been showcasing their favorite toys and objects. They have also been engaging in life skills activities, such as learning about the sense organs and body parts.

As we continue through the month of July, we are looking forward to more exciting activities and learning experiences for our PP2 students. We are proud of the progress they have made so far and are excited to see them grow and learn each day.

Warm regards,

Team@AKS

AKS Bytes July 2025

Show and Tell

Our students had a fantastic time sharing their favorite toys and stories during our recent Show and Tell activity.

Smiles and laughter filled the classroom as each student took their turn to shine.

AKS Celebrations

PP1: First day of school

We are thrilled to welcome you and your children to the start of an exciting new academic year at Dr. Abdul Kalam School. Our dedicated team of educators has worked tirelessly to create a nurturing and stimulating environment that will help your children thrive. We are committed to supporting each student in reaching their full potential, and we look forward to a year of discovery and achievement.

International Celebrations

Yoga Day

On International Day of Yoga, celebrated annually on June 21st, our school organized a vibrant event where both children and teachers enthusiastically participated in various yoga asanas. The children eagerly engaged in practicing different poses such as the Tree Pose, Warrior Pose, and Downward-Facing Dog, while the teachers supported and joined in the activities. The event fostered a sense of community and well-being, as participants of all ages enjoyed the physical, mental, and spiritual benefits of yoga. The joy and energy were palpable, making it a memorable celebration of health and harmony.
